About David Di Meco Design

David Di Meco Design is a preeminent unique products supplier for the commercial, hospitality and A&D industries with years of experience serving many prestigious and high-profile projects and clients. Our products and designs instill life into extraordinary spaces, whatever their size. They're created for welcoming, hosting and entertaining. They are products of presence, made to be lived in and to endure the test of time. And we believe in the extraordinary value of quality, service and a long-term commitment to both our customers and our products.

Our promise is to meet and exceed, our customer's highest expectations. We are constantly working to make it fast and easy to partner with us and access trade pricing, product options, high-resolution images, product specification sheets, and many more resources to make your job quick and simple. Our team will help you find the perfect pieces for all your projects.

THE DAVID DI MECO PRODUCT DESIGN STUDIO was set up in 1997 in Fort Lauderdale, Florida's Marine Design District specializing in furniture, accessories, and folding chairs. In 1998, its Italian Offices along the Adriatic were opened, and then in 2002, an additional studio was added in the popular Veneto Northern Italian furniture region. In 2008, David Di Meco established an international intern program at several design schools to allow students to gain access to real-life design needs, clients, and world markets. In 2013, its China office was opened in Guangzhou to service the high demand of Chinese Factories world branding and design needs.

About Austrian Luxe Nautical

The history of the leather used is linked to over 200 years' production and processing of vegetable-tanned leather as a natural product. Today our leather supplier is the world's leading leather manufacturer for different industry sectors, beginning with the raw material all the way up to the completed seat covers. From modern plants in Austria & Slovenia we offer tailor-made services regarding finished leather products for different in-and exterior applications and provide customized development solutions.

Most recently we've launched the luxurious leather furniture Marine Line, which has been developed to meet the requirements of most demanding hospitality and luxurious industries. This extravagant furniture line is not only well designed but is also functional and extremely comfortable. Related to our past achievements, we proudly present award-winning products. The outdoor real leather, which can be used both inside and outside. Innovations that can certainly help your needs and allow you to get the maximum benefit of your outdoor furniture. The outdoor real leather has many technology factors in place to achieve extremely high standards and is also suited to handle up to 50 °C. Extravagant, but affordable outdoor furniture, is not massive consumed and brings the elegance to any in-outdoor decor. It's easy to clean and handle. Due to creative solutions, the furniture has a longer life span and better ROI

Chaise Lounge

Classy and sleek design

You recognize good taste by the ability to continuously resist exaggeration. This unwritten law of design is reflected in the clear lines of the CHAISE LOUNGE. Yet, luxurious details were not forgone. Engineered Hydraulic Multi Positions.

The extreme outdoor leather innovation was developed by one of the world's leading manufacturers of high-quality upholstery leather. It is oil and water-repellent and stain resistant. The patented formula ensures greater UV, seawater, and chlorine water resistance. Combined with the powder-coated light metal aluminum frame, this easy-care real leather makes the furniture also usable outdoors, in saunas and swimming pools, as well as in a demanding maritime climate. The outdoor leather is also offered in 11 standard colors. The frame is available in 4 color variants.

Director's Chair

Classy and sleek design

You recognize good taste by the ability to continuously resist exaggeration. This unwritten law of design is reflected in the clear lines. Yet, luxurious details were not forgone.

With a distinct tendency towards perfection, the director's chairs add a significant touch of class to properties & yachts.

The extreme outdoor leather innovation was developed by one of the world's leading manufacturers of high-quality upholstery leather. It is oil and water-repellent and stain resistant. The patented formula ensures greater UV, seawater and chlorine water resistance. Combined with the powder-coated light metal aluminum frame, this easy-care real leather makes the furniture also usable outdoors, in saunas and swimming pools, as well as in a demanding maritime climate. Maribor Deck Chair

Classy and sleek design

You recognize good taste by the ability to continuously resist exaggeration. This unwritten law of design is reflected in the clear lines of the Maribor Deck Chair. Yet, luxurious details were not forgone.

A design is good when you can't leave anything out. When developing the Maribor deck chair, the designer was apparently guided by this motto

Occasional Tables

Classy and sleek design

You recognize good taste by the ability to continuously resist exaggeration. This unwritten law of design is reflected in the clear lines of the OCCATIONAL TABLES. Yet, luxurious details were not forgone. A design is good when you can't leave anything out. When developing the TABLE design, the designer was apparently guided by this motto. The table, which is offered in various sizes, is dominated by stylish restraint, complemented by glamorous details such as the hand-braided edge made of real leather. The extreme outdoor leather innovation was developed by one of the world's leading manufacturers of high-quality upholstery leather. It is oil and water-repellent and stain resistant. The patented formula ensures greater UV, seawater, and chlorine water resistance. Combined with the powder-coated light metal aluminum frame, this easy-care real leather makes the furniture also usable outdoors, in saunas and swimming pools, as well as in a demanding maritime climate. About Belgium Boho Soft Seating

Contemporary design, timeless tradition and commercial quality meet in the ultimate, modern marriage of 'life' and 'style'. Supremely durable outdoor furniture and outdoor rugs that have the appeal of indoor yet offer year-round performance indoors or out. After being for over 18 years in the outdoor rug production business, I decided that is was time to make the next step... creating an outdoor line concept. The world of today is not about buying a nice product, it has become much more. It is about creating the feeling which you long for. Our goal was to create a soft collection that can incorporate casual, relaxed design, timeless tradition and quality into a modern marriage and understatement of 'life' and 'style'

DAVID **DI MECO**

- 100% Polypropylene
- For Indoor & Outdoor use
- Stain Resistant

- Color Fast
- UV Treated To Resist Fading
- Double Layers & Double Zipped

Poufs-Armless Center

DESIGNER POUFS TO MAKE ANY SPACE COZIER

Loomed from premium all- weather yarns, Roolf's Woven Polypropylene Rugs, Seating & Poufs are versatile, supremely durable and have the appeal of indoor yet offer year-round performance indoors or out.

All items in our collection are crafted with tight flat weaves to have the textural appeal of natural fiber yet durable and retain their colors season after season. Roolf's Rugs, Seating & Poufs are inviting in any room and layer well with any decor style indoors or out. They offer years of use and resist mold, mildew and fading.

Transform a project, property or home with artisan-quality rugs, poufs and lifestyle accessories that make every day an extraordinary experience. Contemporary design, timeless tradition and commercial quality meet in the ultimate, modern marriage of 'life' and 'style'.

Commercial Flame Tower Heater Powder Coated

Commercial Patio Heaters ideal for Restaurants, Hotels, Resorts, Country Clubs, Night Cubs & Bar, Homes.

Commercial Type -Pumping out max BTUs for an 15-foot diameter heat range, these units are some of the most powerful patio heaters in the market. They can also be wheeled away, ensuring exceptional mobility despite their hefty size. Heavy duty yet gorgeous with a stylish finish options, they are perfect for serious outdoor entertainers with big spaces. Simple Start-Up Ignition System -To operate, all it takes to light the heater is a simple push of the button thanks to its user-friendly, one-step ignition system. A nice alternative to a fire pit, the gas patio heater delivers quiet, soothing, consistent heat-with no smoke or open flames to worry about. Variable-heat control knob – Allows for low or high heat settlings and for turning the heater completely off at the end of the night. Wheels for Smooth Mobility- A wheel assembly with two smooth-rolling wheels comes included, making it easy to transport the outdoor heater around properties. 89" tall & a solid 1 Piece Quartz glass tube heater makes a perfect matching to any patio settings. It is styled with durable accents. It features durable, commercial-quality components & a rust, fade & corrosion-resistant finish, along with wheels for portability. Easy access door for propane tank exchange.

FRENCH CONTEMPORARY OUTDOOR

Antigua Armrest For Antigua

English

Thanks to a clever patented mechanism, interchangeable backs, arms and tables all rotate and lock at any desired angle, so you can create a sofa, a tête-à-tête, a chaise or even a bed in the wink of an eye. Chat with your loved ones, watch TV, use your laptop, have a glass of wine, go for a nap, in short, fulfill all your comfort needs with style, add a chair and/or another sofa to create a sectional or a double bed.

Spanish

Gracias a un ingenioso mecanismo patentado, los respaldos, brazos y mesas intercambiables giran y se bloquean en cualquier ángulo deseado, para que pueda crear un sofá, un tête-à-tête, una tumbona o incluso una cama en un abrir y cerrar de ojos. Chatee con sus seres queridos, mire la televisión, use su computadora portátil, tome una copa de vino, tome una siesta, en resumen, satisfaga todas sus necesidades de comodidad con estilo, agregue una silla y / u otro sofá para crear una sección o un doble cama.

Cadence Armchair

English

The first impression you get looking at Cadence is one of sheer elegance. Thanks to its smaller footprint and airy structure it can easily adapt to several types of environments. There is an extensive choice of pieces, both for seating and dining, to create, indoor and outdoor, a stylish place of your own.

Spanish

La primera impresión que obtienes al mirar a Cadence es de pura elegancia. Gracias a su menor espacio y estructura ventilada, puede adaptarse fácilmente a varios tipos de entornos. Hay una amplia variedad de piezas, tanto para sentarse como para cenar, para crear, en interiores y exteriores, un lugar propio y elegante.

Cadence Three - Seat Sofa

English

The first impression you get looking at Cadence is one of sheer elegance. Thanks to its smaller footprint and airy structure it can easily adapt to several types of environments. There is an extensive choice of pieces, both for seating and dining, to create, indoor and outdoor, a stylish place of your own.

Spanish

La primera impresión que obtienes al mirar a Cadence es de pura elegancia. Gracias a su menor espacio y estructura ventilada, puede adaptarse fácilmente a varios tipos de entornos. Hay una amplia variedad de piezas, tanto para sentarse como para cenar, para crear, en interiores y exteriores, un lugar propio y elegante.

Manual Thermoelectric Cooler

CONTENT:

- 1. GENERAL INFORMATION
- 2. ITEMS DELIVERED
- 3. INSTALLATION
- 4. MAINTENANCE
- 5. TROUBLE SHOOTING

1. GENERAL INFORMATION 1.1 FOREWORD

The purpose of this document is to provide important information regarding the installation, use and maintenance of the cooler, Before any operation, you should carefully read the information contained in this manual. The manufacturer assumes no liability for parts or labor coverage for component failure or other damages resulting from improper usage, installation of failure to clean and/or maintain product as set forth in these instructions.

This instruction is available on website; bordbar.de

1.2 INSTRUCTIONS FOR SAFE USE

(For EU & USA) The Cooler shall be used with the power adaptor (model GM95-120700-F) provided with the appliance.

Do not store explosive substances such as aerosol cans with flammable propellant in this appliance.

The disposal of the appliance shall be performed by uthorized agent

- · Ensure the cooler is connected to correct voltage prior to plugging it in: there is a description to identify the correct voltage on rear of the cooler.
- The vent should not be locked when fridge is working.
- · Avoid any water dropping or leaking into, or on top of the cooler. It could cause damage to the internal workings and is potentially dangerous.
- · Cleaning and user maintenance shall not be made by children without supervision.
- If the supply cord of power adaptor is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- · Do not store or use gasoline or any other flammable vapors and liquids in the vicinity of this unit. The fumes can create a fire hazard or an explosion.

1.3 MEANING OF CROSSED-OUT WHEELED DUSTBIN:

Do not dispose of electric appliances as unsorted municipal waste, use separate collection facilities. Contact your local government for information regarding the collection system available. If electrical appliances are disposed of in landfills or dumps, hazardous substances can leak into

the groundwater and get into the food chain, damaging your health and well-being.

When replacing old appliances with new ones, the retailer is legally obligated to take back your old appliance for disposals at least free of charge. The manufacturer is not responsible for damages resulting from the improper use of the product.

1.4 TEMPERATURE CONTROL

The cooler is shipped ready for use. As needed, the temperature control can be adjusted clock-wise to make the product "colder", the control can be adjusted counter clockwise to make the product "warmer". In "Off"-position the device is switched off completely.

The best cooling performance is achieved if the unit is optimally filled and the air circulation inside is unobstructed by the products inside the refrigerator.

1.5 INFORMATION FOR YOUR SECURITY

The construction of this cooler is made according to the EC/FN 60335-1/-2-89. This egipment is intended for storage and display of nonpotentially hazardours, bottled or canned products only.

1.6 RESPONSIBILTY OF THE CUSTOMER

The appliance is suitable to provide the voltage on the data plane. Make sure that the cooler is placed on a level surface.

ATTENTION: The cooler is not designed for external (outdoor) placement or environments that subject it to the actions of tmospheric agents (rain, direct sun light).

The manufacturer is not responsible for damages resulting from the improper use of the product.

WARNING:

- · Keep ventilation openings, in the appliance enclosure or in the built-in structure, clear of obstruction.
- . Do not damage the refrigerant circuit.
- The appliance has to be unplugged after use and before carrying out user maintenance on the appliance.
- · Pull power plug before each cleaning or maintenance operation or interrupt power supply!
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- . Children should be supervised to ensure that they do not play with the appliance.
- . (For EU) This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilitities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
- . (For EU) Children shall not play with the appliance.

2. ITEMS DELIVERED

The delivery consists of the following components:

- Main plug (a)
- Power supply (b)
- · Drip tray for condensation (c)
- Accessory cable for LED-base, optional (d)

Connect the main plug (a) to the power supply (b) and then to a wall socket.

The drip tray (c) is located underneath the bordbar and should be emptied as necessary

The enclosed accessory cable (d) is necessary for the optional LED-base in combination with a cooling unit. Insert one end of the cable into the opening located at the top of the cooling unit and the other end of the cable into the opening on the underside of the LED-base.

3. INSTALLATION

3.1 POSITIONING

- The cooler must be placed in an adequately ventilated room.
 Keep away from heat sources, such as radiators or air conditioning pipes. Allow free air circulation to the refrigerator unit.
- If you wish to refrigerate other obejcts, please check whether the cooling range and storage space meets the requirement of the objects to be stored before placing them in the cooler.
- Place the cooler in a dry place; indoors or under cover. The cooler should not be used outdoors where it could be exposed to rain.
- The operating temperature of the cooler is 5°C to 30° (41°F to 86°F). The cooler should not be used outside of this temperatur range. NOTE: Direct sun may heat the body to a higher level than the apparent ambient temperature.
- Placement of the cooler should be well ventilated and at a distance of at least 10 cm away from wall.

3.2 DEVICE OUTPUT

The input power of this cooler is 220-240 V or 100 V, and through adaptor to supply power, the output power is DC 12V 7A

TECHNICAL DATA (100 V-240 V unit)

Input voltage to power adaptor : 100 V-240 V AC

Power : 60 W
Operating temperature : 5°C to 30°C

Cooling range : 14°C lower than ambient temperature

Operating noise : 36,3 dB

3.3 AMBIENT TEMPERATURE

Climate Classes according to ISO23953-2.

Climate Class	Temperature (°C)	Relative Humidity (%
0	20	50
1	16	80
2	22	65
3	25	60
4	30	55
6	40	40
6	27	70
7	35	75
8	23.9	55

BR16 V2.0 is Climate Class 5.

3.4 LIGHTING

You have a choice between two light settings.

- Automatic Door: When the cooling units door opens, the light turns on automatically.
- Constant Lighting: Flip the ON/OFF switch at the inside of the cooler for permanent lighting.

4. MAINTENANCE

- . Unplug the unit before cleaning.
- Wipe down with a damp soft cloth. Be sure to avoid dripping water into or on top of the cooler.
- For persistant marks isopropyl alcohol may also be used with a soft cloth.
- Use a dry cloth to dry the appliance after cleaning it.
- · Clean it at regular intervals as required.
- Slightly open the door wide after cleaning to allow moisture to fully evaporate.
- If the environment is dusty, clean the condenser at least once per month. Remove the dust that has accumulated between the ribs and the frontal surface.
- . Use a brush or a vaccum cleaner to remove the dust layer.
- Do not use pointed objects. These could damage the condenser.
- A dirty condenser negatively affects the performance of the unit. In addition, it also compromises the life of the compressor and results in a notable increase of the power consumption.

ATTENTION: The inner liner of cooler should be cleaned after 6 months use. Cut off the power, get a clean cotton to clean the bottom inner liner, especially the drainage hole in the middle of inner liner, to avoid the melt water overflow

5. TROUBLE SHOOTING

Fault 1: The unit is not cooling.

The connection may not be in place. If so, plug it in firmly.

Fault 2: The Cooler does not work under AC power.

The transformer may be faulty. The cooler should be sent to a professional maintenance depot for examination. At no stage should you open the casing of the unit without the correct qualification. To do so will void any warranty on the cooler.

If none of the above solutions works the cooler should be sent to a professional maintenance depot for examination.

LED multicolored shelf

Your bordbar LED shelf contains the following items:

- · LED shelf in glass
- · Remote control with battery
- Power plug with power transformer from 230 Volt AC to 12 Volt DC

If your LED shelf was delivered in combination with the bordbar_cooler unit, your LED shelf will run automatically with the power plug of the bordbar_cooler.

The LED shelf is splash water proofed.

So please do not wash the LED shelf under free flowing water. Use a soft cotton cloth.

Possible source of error

The remote control and the LED shelf is 1 to 1 paired as default.

Should there be no connection, please check if the battery insulate tape is removed and the LED shelf is connected with the power cabel.

If there is still no connection please try the following steps:

- 1. Remove the power cable for at least 5 seconds from the LED shelf and plug it back in again. 2. Immediately press the buttons 'SPEED-' and 'SPEED+' on
- the remote control simultaneously for at least 5 seconds.
- 3. Now the remote control is coupled with the LED shelf again.

Specification:

Dynamic mode	19
Static color	20
PWM grade	256
Brightness grade	5
Speed grade	10
Demo mode	~
Working voltage	12 V
Remote frequency	433.92 MHz
Remote distance	15 m

1. On-Off

Press this key to turn on unit or switch to standby mode. Unit will turn on and restore to previous status at powering on moment.

2./9. Dynamic modes adjust

Switch to dynamic mode from static color mode, or switch between dynamic modes.

3./8. Dynamic speed adjust

Adjust dynamic playing speed. Press 'SPEED'+ to increase speed and press 'SPEED'- to decrease speed. Unit will switch to dynamic mode if the LED shelf is in static color mode.

4./5. Static color adjust

Switch to static color mode from dynamic mode, or switch between different static color.

6./7. Brightness adjust

Adjust static color brightness. Press 'BRIGHT'+ to increase brightness and press 'BRIGHT'- to decrease. Unit will switch to static color mode if the LED shelf is in program mode.

Aventura 3pc Club-Slider Balcony Set

OUTDOOR BALCONY SEATING SOLUTIONS WERE IN MIND WHEN WE CREATED THESE COLLECTIONS.

Square footage may be measured from side to side, but real life is so much more than two-dimensional. That's why we offer inspiration and outdoor furniture specifically for commercial small spaces.

Our Small Space sets provide modern outdoor furniture solutions perfectly sized for balconies, terraces, patios and other outdoor spaces around the property.

Balcony & small space designing can be a challenge, but limited square footage doesn't have to curb your style or quality.

About USA Strong Planters

Our entire company and its associates are dedicated people whose mission is to sustain the highest standards of quality, design and execution without compromising our commitment to innovation, creativity and customer service.

We combine industrial design with aesthetic sensibility to develop cutting edge products. We specialize in creating unique outdoor architectural elements specific to each project.

We offer laser cut steel planters and decorative panels constructed with environmentally friendly, American steel. We offer 10 standard powder coating finishes and have thousands more for you to match to any custom project.

Steel Koncepts values the importance of supporting our country and local industry. We strive to utilize the latest American technology and we proudly design and manufacture all Steel Koncepts products in America.

Commercial Edge Planter

Galvanneal Steel has a unique zinc iron alloy coating that is an ideal surface for painting. It is strong, durable, anti-corrosive, and designed so oxidation cannot occur. Combine that with a durable Powder Coat finish in your favorite color and you'll have a beautiful planter that will last a lifetime in any climate! Our commercial grade Galvanneal Steel Powder Coated Planters our hand welded by experienced craftsman using only quality American made 18 gauge zinc coated Galvanneal Steel.

The Edge Planter design comes in 2 standard sizes and 12 different colors. The Galvanneal Steel Edge Planters are designed for both commercial and residential applications, and are great for outside patios or entranceways where you want to make a bold statement. You can also use a combination of Edge Planters to help enclose or partition an area, or create a functional decorative border . Custom sizes and colors are available with proper advance notice and deposit.

Commercial Cube Planter

Galvanneal Steel has a unique zinc iron alloy coating that is an ideal surface for painting. It is strong, durable, anti-corrosive, and designed so oxidation cannot occur. Combine that with a durable Powder Coat finish in your favorite color and you'll have a beautiful planter that will last a lifetime in any climate! Our commercial grade Galvanneal Steel Powder Coated Planters our hand welded by experienced craftsman using only quality American made 18 gauge zinc coated Galvanneal Steel.

The Cube Planter design comes in 3 standard sizes and 12 different colors. The Galvanneal Steel Cube Planters are designed for both commercial and residential applications, and are great for outside patios or entrance ways where you want to make a bold statement. You can also use a combination of Cube Planters to help enclose or partition an area, or create a functional decorative border . Custom sizes and colors are also available with proper advance notice and deposit.

WOW MAGNETIC MAPS

About Wow Magnetic Maps

CHART YOUR JOURNEYS. THE PERFECT ACCOMPANIMENT FOR YOUR HOME, BUSINESS OR THE ADVENTURER IN YOUR LIFE

With our FRAMED MAGNETIC TRAVEL MAPS, you can chart your journeys across the country or globe and even plan that "someday" trip of a lifetime. These current maps are printed on proprietary magnetic material with rich, subdued colors that give each one a sophisticated appearance. Red pin-magnets mark past travels, Blue pins mark future travels, and one Yellow pin will mark your next destination. These interactive maps are memorable and make for a unique gift for planning family excursions, business trips, or client tracking.

The magnetic element of each of our products is a key factor is closing sales with consumers. "Wow, it's magnetic!" is what all our customers hear.

Using a variety of proprietary materials, printing techniques, and manufacturing processes "we make art interactive"! Our in-house design team allows us to move quickly on ideas and we can go from concept to printing to production all in house and quick.

- Expertly framed and manufactured using a newly developed and patented magnetically receptive surface
- We use magnetic pins that do not destroy the art or damage the surface of the map
